

Sandals

The best of **Everything is Included** in one up-front price

At Sandals you get more than you ever dreamed of... not only in quantity, but in quality. Other all-inclusives may advertise "everything's included," but they often disclaim that many of their services and amenities are additional. This includes such features as beer, wine, premium liquor... and tipping. Not to mention such sports as waterskiing, scuba diving and golf. Even government taxes, airport transfers and port charges. These, among others, when not budgeted for, can double the cost of your so-called "all-inclusive" vacation. At Sandals, there are no compromises and no surprises. The best of everything is included in one up-front price.

All Meals, Snacks and Gourmet Dining

Dine around the world! Unlike any other all-inclusive, Sandals includes ultra-gourmet dining at a total of 44 restaurants. With up to 8 fantastic dining choices at each resort, you can choose to indulge in everything from French to Oriental at intimate, candlelit tables for two.

Watersports and Landsports

We'll exceed your expectations! Not only will you find tennis, golf (in Jamaica and St. Lucia), windsurfing and sailing, but also gyms stocked with the latest Cybex equipment. Our waterskiing features the best Mastercraft ski boats and no one matches our fleet of purpose-built dive boats. And where else can you dive twice a day for free?

Accommodations

When the day is over, you'll retire to the finest rooms and suites in the Caribbean. Whether your suite is perched atop a coral bluff overlooking the sea, or nestled in a tropical garden, our exclusive Suite Concierge Service will see that your every wish is fulfilled.

Airport transfers, taxes and gratuities

Our inclusions are designed to take the worries out of your vacation. That's why we include airport transfers in air-conditioned buses, all tips, gratuities and all hotel and government taxes. So all you have to do is sit back, relax and do nothing at all -- or do it all -- no worries!

Use of all amenities

A vacation like a vacation should be. You'll have a choice of several restaurants at each property, impressive swimming pools, whirlpools, saunas and maybe even a misting pool. Every imaginable land and watersports is yours for the asking. You'll certainly enjoy our open bars which serve everything from cola to premium brand name liquor. That's not to mention use of our award winning spas' amenities (treatments are not included).

Hurricane Guarantee:

In the unlikely event that hurricane force winds (as defined by the U.S. National Weather Service) directly hit a Sandals or Beaches resort while you are a guest, Sandals or Beaches Resorts will offer a free replacement vacation, including round-trip airfare, to be taken at any Sandals or Beaches Resort of your choice. This replacement stay will be for the same duration as the one originally booked, regardless of how many days were affected by the hurricane.

Exchange Privileges:

Only at Sandals can you stay at one resort in Jamaica and enjoy full exchange privileges at all six. Courtesy shuttles are provided within each of the local towns of Montego Bay and Ocho Rios. Or, just hop on Air Jamaica Express (airfare not included) and within minutes you're there. With Sandals exclusive Stay at One, Play at Six program, you get six exciting vacations for the price of one! In St. Lucia, you can stay at one Sandals resort and play at all three (courtesy transfers also included).
